

Mud Pie Creations

Child Check In provides security for your children's programs!

The Mud Pie Creations' "Child Check In" application prints security badges for guardians, children and workers and keeps up with attendance records.

This is the Main Screen of 'Child Check In'.

From this screen you can:

- Add/Modify Family Info
- Check In/Out Children
- Check In/Out Workers
- Print Badges
- Print Reports
- Send E-mails
- Print Birthday Cards
- Print 'Miss You' Cards
- Display Detailed Help

Here is a sample "Child's Badge":

 Natalie Nelson	 Allergies: Peanut	N0001 Date of Birth: 01/01/2001 Guardians: Norman Nelson Nancy Nelson
	Authorized Adults who can pick up Child (with ID): Nelly Nelson (grandmother)	

Below is an explanation of the information contained on the badge:

Mud Pie Creations

Badges for workers can be printed too.

The badges can be printed to regular paper and placed inside a plastic holder for reuse each week or printed to label printers.

The optional barcodes make the check in process even faster!

Attendance, Child, Family, Inactive, Missing Photo, Visitor and Worker Reports can be viewed, printed and exported to formats such as .pdf and .html

Mud Pie Creations

See a reminder of upcoming birthdays.

Birthday cards can be automatically generated on regular paper or card stock. (Select from 10 different styles.)

The mailing labels are printed too!

Automatically generate 'Miss You' cards and mailing labels for children that have been absent for a specified number of weeks. (Select from 10 different styles.)
